

# Aria Island **Action Force** Wanted List

*List correct as at 7 March 2008*

I have been collecting Action Force since I was a child back in 1982. Although I sold my original collection it has meant many hours enjoyment collecting them all over again since 2003. It has not ceased to amaze me the level of interest in this area.

Please help me complete my collection. If you are interested in swapping or selling, you can email me at [actionforce@blueyonder.co.uk](mailto:actionforce@blueyonder.co.uk). See my e-bay rating / comments as reference.

Thanks at least, for taking the time to look.
